National President's Message

The Happiest Man recognizes God's Provision in his Life!

Bro. Peter Desmond Wee

The benefit of joining FGB is to have the opportunity to “GIVE”

The Happiest Man on earth recognises God's provision in their life. A Governing Council member once said to me – the benefit of joining FGB is to have the opportunity to “GIVE”. In our human nature, we always want to receive selfishly for ourselves but in God's nature, He always gives freely and sacrificially to all. John 3: 16 says “For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life.

Hence, we are made to be “partakers of this divine nature”. We then must work that divine nature into our human nature by developing godly habits of giving than receiving. The Lord Jesus said in Acts 20: 35 that in so labouring, ye ought to support the weak. It is more blessed to give than to receive”.

Oswald Chambers in its topic “The Habit of Wealth” states that “The very first habit we must form is the habit of recognizing God’s provision. Do you often find yourself saying, “I can’t afford it”? One of the worst lies is tucked up in this statement. It’s considered bad taste to talk about money—how much you have or don’t have—and the same is true of spiritual riches. We talk as though our heavenly Father has cut us off without a cent. We think it’s a sign of modesty to say, “It was a real struggle, but I got by”. Meanwhile, all of God Almighty is ours through the Lord Jesus Christ.

Never indulge in self-pity or be stingy about our money as if God is not there to bless us. This sin of self-pity opens our mouth with streams of complaint, and our lives become constantly craving spiritual sponges, with nothing lovely or generous about them.

Oswald Chambers further states that “When God is beginning to be satisfied with us, He will impoverish every source of phony wealth in our lives, until we learn that true wealth lies only in Him. If we aren’t consciously aware of the fact that His majesty and grace and power are being manifested in us, God holds us responsible.

In 2 Corinthians 9:8 “God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work”. Let us learn to lavish the blessings of God on others, and His blessings will come through you all the time.

*“God is able to bless you abundantly...
you will abound in every good work.”*

National President's Message (cont)

Let us, therefore, GIVE our time, finances, talent and resources to others so that we can be partakers of this divine nature. When we serve in FGBMFI Malaysia, let us be reminded of the parable of the talents that we are not to keep that one talent that we receive from the Lord but to give it away so that it can double up to two talents. Similarly, do not be stingy to spend your time and money to fulfil the Great Commission by doubling up your chapter and membership development by end of this term 2024/25 to grow in your godly habits.

Always remember God's great and precious promises stem from His glory and goodness. They are to benefit His believers. His promises are true, and it is for us to turn them into reality.

So, I urge you to be marked, anointed and identified with His true nature, so that His blessings will flow through you and me in days to come.

Peter Desmond Wee

THE PHILIPPINES NATIONAL CONVENTION

16 - 18 MAY 2024

16-18 May 2024. The Philippines 41st National Convention was held in Cagayan de Oro City and attended by delegates from Indonesia, Malaysia, Australia, Japan and China. The theme was "Shine Like Jesus!" - A Triumph of Faith and Fellowship.

Event Highlights: The Philippines National Convention

We saw brothers from diverse cultures and backgrounds united in the bond of Christ. The praise and worship sessions were spectacular, inspirational keynote speakers, pastors and brothers delivered powerful messages and the organising committee put forth their warmest hospitality.

FGBMFI Malaysia was represented by Bro. Peter Desmond Wee, Bro. Johnny Woo, Bro. Ng Soon Hock, Bro. Peter Ling, Bro. Arthur Tan and Bro. Timothy Tang.

FGB Vietnam Music Exchange

2-8 May. Nine FGB brothers (4 brought their wives along) to Vietnam for this exciting music sharing event. Through the alternating performances of hymns and pop songs, as well as the diversity of faith and culture, this event definitely created a warm and harmonious atmosphere. The seed of the Gospel of Jesus Christ was sown, allowing more people to feel the love and grace of our Lord Jesus. Such activities help promote unity and understanding within and outside the community, and at the same time provide a good example for brothers in Malaysia to learn from. May the Vietnam Song of Songs Music Ministry grow in leaps and bounds in their 5th session next year.

The 9 brothers from KL Tasik Selatan Chinese Chapters who went to Vietnam were:

Frankie Yong

Jeffrey Ng

Chow Chiew Onn

Jacky Tan

Marcus Chung

Desmond Cheong

Daniel Hon

Lee Geok Kian

Vincent Chin

LEADERS' TRAINING AT ALPHA HUB

4 May. There were 17 chapter presidents and leaders for the English track and 8 for the Chinese track. The training was led ably by Kenneth Ho, Annie and Shannie from Alpha Malaysia.

We commenced our sessions with prayers for the training and plans for rolling out Alpha in the Workplace in the Central Region initially.

A group photo was taken with the National President, Bro. Peter Desmond Wee and all who had attended. Praise God for His Presence and leading throughout our time together.

Sabah Salters Event

5 May. We kickstarted our FGB SALTers (Students Advanced Leadership Training) fellowship after a long hiatus. We hope this marks the beginning of a new FGB fellowship focused specifically on young working adults. We are grateful to Bro. Daniel Leong for allowing us to use his office in Penampang. About 11 people joined, and we had an open sharing session where we discussed the importance of fellowship among believers, especially for working adults. As mentioned in Hebrews 10:24-25, it is our obligation to keep encouraging each other, particularly in today's world where temptations and problems arise every day. We thank God for our supportive FGB brothers who laid hands on us at the end of the fellowship to bless and anoint this new budding fellowship

Kuching Trailblazers

Rajawali Centre is an interdenominational outreach ministry of BEM (SIB) Olive Garden, Kuching, Sarawak. Rajawali aims to reach out to the unchurched youths in the MJC Batu Kawa area of Kuching, in line with the Great Commission, especially those from the local ethnic tribes of Sarawak whose work hours prevent them from attending church on Sunday mornings.

One of FGB Kuching Trailblazers members, Paul Yap, is also a committee member in the Rajawali Centre. Along with other Kingdom-minded believers from other ministries and churches, we have come to support the ministry. We share our gifts and resources as led by the Holy Spirit. Both FGBMFI and Rajawali can synergize and grow together in impacting the lives of young people in Kuching.

On April 13th, Pastor Lisa Rossi from Centerpoint Church Byford, Perth, Australia, came to share a message. A good number of FGB Kuching Trailblazers members showed up to help as well as to get to know the youths.

Currently, a youth fellowship on Saturday evening and a prayer altar on Sunday afternoon are held regularly at the centre. Other activities include discipleship training, workshops, and outdoor activities. FGB members can share our knowledge, experience and network with the Rajawali Centre youths, helping them work and do business God's way for His Kingdom advancement in the marketplace.
